

"Lucky Rema"

One Fantastic Female!

JLT MS Lucky Rema 633 is another fantastic female in our collection of the finest **POLLED** females in the breed. She is double bred JDH Remington 784/2 - one of the all time greats of the breed. Her dam was a past champion for Jacob Tipp and as you can see in her photo is a very capacious good looking **MAMA** cow.

You gotta love this fantastic female's muscle, breed character, pedigree, capacity, pigment and overall quality. We were very fortunate to have the opportunity to pick the best of our ole buddy's Randall Tipp's **POLLED** cow herd. **THANK YOU** Randall and family. The Tipps have been breeding good **POLLED** cattle for a long time.

Lucky Rema – Another FANTASTIC LA MUNECA FEMALE!

Co-Owned with Jacob Tipp

JT Miss Grande Remington 333 is the **POLLED MATRIARCH** of a great cow family that we recently acquired from the Tipp family. She has produced some great cattle like Lucky Rema and 433. She is sired by Dr. Husfeld's 625 and is out of a **POLLED** JDH Remington daughter. We will be flushing her in an effort to spread her powerful genes throughout the Brahman World.

JT Miss Emper Suville 433 is a stout made 333 daughter sired by EJL Emper Suville 176, the good looking carcass award winning herd sire bred by our dear friend, the late master breeder Dr. Ed Le Blanc. He was a gentleman that did a tremendous amount of good work on linear measuring and breeding superior Brahman cattle.

Lady Long P 1632 (P) is one of two functional **POLLED** 15 year old Fred Schluens cows that we bought from the Tipp's to incorporate these pioneer and practical **POLLED** genetics in our program. They are moderate heavy milking cows with good udders. We also bought their two polled daughters by their Remington son.

LMC LF Polled Ambassador keeps coming on. We have just weaned him and continue to be excited about his development. He is thick, correct, sound, smooth **POLLED**, good looking and is supported by a classic JDH x V8 pedigree. He is sired by JDH 187/1 and is out of our 14 year old **POLLED** super donor Miss V8 899/4. Look for him at Houston and the World Brahman Congress.
